VRCC Consortium Travel Policy Document Version 2.4 (Effective January 2026).
Notice: This policy explicitly supersedes Version 1.0 in its entirety.

Section 1: Per Diem and Subsistence.
Under Policy Version 2.4, the updated daily meal per diem allowance is raised to exactly $92 per day. Breakfast is allocated $22, lunch $28, and dinner $42. Alcohol remains non-reimbursable.

Section 2: Lodging Ceilings.
The updated standard hotel ceiling is increased to $245 per night for all standard domestic tier-1 cities. For Tier-2 cities, the cap is $195 per night.

Section 3: Executive Approval Thresholds.
Discretionary travel spending authority is expanded: project directors can approve expenses up to $4,000 per trip. Expenses exceeding $4,000 require written clearance from Chief Financial Officer Marcus Vance.

Section 4: Mileage and Electric Fleet.
Employees driving company electric vehicles receive a charging stipend of $0.34 per mile. Car rental upgrades to premium tier require Medical Disability Form MED-7.
